5th February 2018

Dear Parents/Carers,

After half term our new topic will be 'The World came to our place today'. For our 'stunning start' we will be having an international food day on Tuesday 27th February. Please send into school a small food item that can be shared that originates from a different country. The children will be doing a range of activities linked to these foods so please can you send the food in wrapping or containers. If you make any homemade items please can you clearly label them with the ingredients used, in case of allergies. Please sign and complete the slip below if your child has any allergies that we need to be aware of. Please talk with your child about the food they are bringing in so that they can share their knowledge with their peers.

Many thanks for your continued support.

Have a great half term.
