Welcome Back

We hope you all had a lovely Easter Holiday.

Attached is the overview of the planning for this half terms topic '**The Enchanted Forest**' and we will be using a variety of activities to develop this learning, including our trip to Sherwood Pines.

Thank you for all the Robin Hood homework projects. The children have loved sharing their work with the class.

Woodland Workshop

The Woodland Workshop will be continuing on Wednesdays.

If it is a wet morning please remember to send clearly named wellies, in a plastic bag, into school with your child each Wednesday. On dry Wednesday mornings they will not be required.

Warmer Weather

As the weather gets warmer please send your child to school in a suitable, clearly labelled sun hat and ensure they have sun cream on before school. Can you also make sure your child comes to school with a water bottle.

Parents Evening

Tuesday 24th April and Thursday 26th April. Please return your slips ASAP.

Hatching Ducklings

This half term we are hatching ducklings. The eggs went in to the incubator on Friday 20th and they take 23 – 25 days to hatch. The eggs have been donated to us, free of charge, from a rare breed bird farm called Field 100 in Lincolnshire. This is the third year they have supported our school.

After half term our topic will be 'I spy...' which focusses on changes including weather, seasons, places and transition into Year 1!
