Monday 30th April 2018

Dear Parents and Carers,

On Wednesday 20th June, Year 6 have been invited to visit the Veolia Materials Recovery Facility in Mansfield to gain an insight into the recycling process from the time it leaves the home to the moment it is recycled. This ties in well with our current whole school project on reducing the amount of plastic we use; so Year 6 will hopefully come away with some ideas we can implement in school to reduce our wastage. The trip is funded by Nottinghamshire County Council so there are no costs involved.

The actual visit is split into two parts: Mr Smith's class will be spending the morning at the Centre and Mrs Brodie's class will be visiting in the afternoon. We will be travelling by coach. This will all be happening within the normal school day. The children need to wear school uniform and bring a packed lunch with them.

Please indicate that you give permission for your child to attend. If we do not receive permission, we will arrange for your child to be educated in school in another class.

Mrs Brodie

Mr Smith

Veolia Materials Recovery Facility - Wednesday 20th June

Name: _____ Class: _____

I give permission for my child to visit the Veolia Materials Recovery Facility on Wednesday 20th June.

I understand that my child needs to bring a packed lunch on this day.

Signed : _____
