11th June 2018

Dear Parents/Carers,

We have an exciting opportunity we would like to share with you this term. On Friday, it was International Dough Disco Day and all of our Foundation children were disco-ing away with their self-made play dough and joining in with live celebrations from all over the world.

We were using this fun day to begin our transition into Year 1 by launching "100 Things To Do Before You Are 6". We have attached the checklist of all of the amazing things children can do before they are 6 and each activity idea is something that promotes happiness and well-being. Our Foundation class have been so busy working with the Spread the Happiness team all year long and this is such a brilliant way to wrap up our year!

Over the next few weeks please use this checklist at home to work your way through the 100 Things. On Friday 13th July at 2.30pm there will be The Foundation Graduation where we will be hearing about all of the activities the children have tried from the checklist. We will present all of the photographs from the challenge in a video at the graduation. If you would like your photograph included in the video, please e-mail 1 photograph from the 100 experiences to marc.faulder@burtonjoyce.notts.sch.uk by Wednesday 11th July. Further information about The Foundation Graduation will come in a letter soon.

To help to spread the happiness beyond Burton Joyce, we would like to invite you to join in a sponsorship opportunity to help raise money for Happiness Hampers. Happiness Hampers are distributed to UK children in difficult situations and are distributed by the Spread the Happiness team.

To help raise money for Happiness Hampers, each of the 100 things are worth 1p. By completing all 100 things children can raise £1 in sponsorship money. School will donate this money to Spread the Happiness who will prepare Happiness Hampers that will be distributed before the summer holidays. Sponsorship money will be collected at The Foundation Graduation assembly.

We look forward to hearing about all of the fun experiences from '100 Things To Do Before You Are 6' and spreading happiness ready for a stunning start to Year 1!

Many Thanks,

The Foundation Stage Team
