**Exciting news for year 4,5 and 6 children!**

We are delighted to announce that from September, our year 4,5 and 6 children will have the opportunity to join the Steel Band Club in school.

The sessions will be run as an after school activity and will be led by a specialist peripatetic teacher. Steel drums are a fun and exciting way to learn how to read music and play a musical instrument in an ensemble. As instruments are all provided the cost for learning is affordable and promotes confidence and enjoyment of music.

Lessons will take place on Monday after school. Towards the end of each term there will be a short sharing of what we have learnt for parents, to showcase the ensemble's new abilities and to develop performance skills. Lessons cost £3.90 each week, which is payable in advance each term. Children do not need to purchase any instruments or equipment, so once they have decided to take part, they need only to turn up and have fun.

Lessons will start once the term has begun. Final dates will be forwarded once a place has been secured and fees have been paid. There will be 10 lessons in the first term. Lessons run from 3.30pm until 4.45pm and will run for the full term - excluding the final week of term. Places are limited to 15, so if there are more applicants than places, we will be drawing names out of a hat. If you would like your child to take part please complete the form below and send it in to the school office. If your child has a place they will receive a letter to confirm this at the start of next term after the return date. Payment will be asked for at that point. All payments will be made through "Eduspot". Please return forms to school no later than Friday 7<sup>th</sup> September, 2018.

Many Thanks,

Angela Sanchez-Rosemurgey ( Music coordinator).
