10th September 2018

Dear parent/ carer,

Steel Drums Band

Exciting news for year 3,4,5 and 6 children!

We are delighted to announce that from September 24th, year 3,4,5 and 6 children will have the opportunity to join the Steel Band Club in school.

The sessions will be run as an **after school** activity and will be led by a specialist peripatetic teacher. Steel drums are a fun and exciting way to learn how to read music and play a musical instrument in an ensemble. As instruments are all provided the cost for learning is affordable and promotes confidence and enjoyment of music.

Lessons will take place on Monday after school. Towards the end of each term there will be a short sharing of what we have learnt for parents, to showcase the ensemble's new abilities and to develop performance skills. Lessons cost £3.75 each week, which is payable in advance each term. Children do not need to purchase any instruments or equipment, so once they have decided to take part they need only turn up and have fun. There will be 11 weeks of lessons during this **term**, from September to December inclusive.

Lessons will start on the week commencing Monday September 24th, 2018. Lessons run from 3.30pm until 5pm and will run for the whole term - excluding the final week of term in December. If your child has never played steel drums before, they will need to be **collected at 4.30pm** as the latter part of the class will cater for those children who have played before. Places are limited, so if there are more applicants than places we will be drawing names out of a hat. If you would like your child to take part, please complete the form below and send it in to the school office, **even if you registered an interest before the summer holidays.** We will send you a text about payment online via "eduspot" if your child has received a place in steel drums. Letters need to be returned by Monday 17th September, as places will be allocated on that day and texts sent out accordingly.

Many Thanks,

Angela Sanchez-Rosemurgey (Music coordinator).

STEEL DRUMS LESSONS September 2018.

Name of Pupil _____ class _____

I/ we would like our child to take part in steel drum lessons.

I/ we understand that lessons cost £41.75 per term, payable in advance of lessons via "eduspot".
