Dear Parent/Carer

¡Hola! Welcome to La Jolie Ronde Languages for Children at Burton Joyce Primary School!

Following several years of Spanish being enjoyed by children of all ages at Burton Joyce Primary School, there are now places available for new classes beginning in September and I would like to offer you the opportunity to reserve a place for your child.

I am a graduate in French and Spanish, with fluency also in Portuguese, and have taught up to GCSE, as well as now helping adults wishing to learn, or relearn, a language. I have a real passion for all aspects of language myself, with a firm belief in the very positive value of children learning languages as early as possible, developing their skills, confidence, enjoyment and love of languages and providing them with a solid foundation for their future education. The La Jolie Ronde programme achieves this in a structured, age-appropriate, varied and fun way! I am delighted to be working with Antonio Nadal, who will be delivering these lessons. Antonio is a Spanish national and is a qualified teacher with experience and success in helping young children develop their language skills through a range of fun teaching methods.

- **A unique structured language course established for 28 years.**
- **An excellent accent for the children to copy.**
- **Small classes with plenty of individual attention and learning with children of a similar age (maximum 12 children).**
- **Conversation, basic grammar, games, role-plays, rhymes and stories.**
- **An awareness of France/Spain, its geography and culture.**
- **Termly reports on your child's progress.**
- **Spanish/French certificates awarded on completion of each programme.**

La Jolie Ronde classes run separately from those offered in the curriculum. The programme is designed to enhance their learning skills and to challenge the children, which means that they **excel** at French/Spanish and develop their language skills to the highest level possible.

An integral part of the course is the fun activity book and interactive CD, payable separately, to enhance your child's learning. If you would like further information or to book a place, please contact me on the above telephone number or email address.

¡Gracias! ¡Hasta luego!
