6th November, 2018

Dear parents/carers,

Thank-you for your positive responses regarding our planned education experiences in the Spring term. I would like to confirm the date of the first of these experiences as, Tuesday 29th January, 2019. This will be the visit from the Portals to the Past team, who will lead the children in a day of activities based around the Ancient Greeks, which will coincide with our topic work during the Spring term.

The cost of this workshop is £7.50 per child and needs to be paid via our online system by **December 14th, 2018**. As always, if you need any financial assistance, please contact the school office, who will be happy to talk with you in complete confidentiality about the matter. If you do not wish your child to take part in this experience, then they will be educated during the day in a different class in school.

Prior to the workshop, children will be making shields and Greek costumes to use and wear on the day. Could you please send your child into school with a plain coloured, flat single sheet by no later than **January 15th**, as we will be making the costumes before the workshop in our DT lessons. This does not have to be a new sheet but should be something you do not mind getting back in more than one piece.

With thanks

The Year 5 team.
