20th November 2018

Dear Parents and Carers

Greens Windmill

Recently we asked if you would support a class trip to Greens Windmill and we are excited to say that we are able to plan this experience for the class. Working with the team at Greens Windmill we have planned a whole day at their historic site. During the day children will visit the windmill and the museum to find out about Nottingham's past. They will also work in the kitchens baking Christmas goodies using the flour from the windmill.

This Christmas experience has been planned for Wednesday 19th December. Children will travel to Green's Windmill by coach after registration and return before home time at 3.30pm

On the day, children should wear jeans/trousers and sensible, secure footwear. They will need to wear their school sweater or fleece, and should also bring a warm waterproof coat.

Our school kitchen will provide pack lunches for this trip, free of charge, and the children will not need any other food although they will need to bring a non fizzy drink for the trip. However, if your child normally brings their own pack lunch you are still welcome to send one instead.

The total cost of the trip is £12.00 If you would like support with paying for these activities, please contact the school office where they are happy to confidentially discuss this with you. If we are not contacted we will assume we will receive payment. If we do not receive payment we will arrange for your child to be educated in another class. We will be looking for parent volunteers to help with the trip. If you are able to assist please speak to the class teacher.

Please make payment and give permission on line at Eduspot. You will shortly receive your login details. Payments must be received by Friday 14th December. If enough contributions are not received we may have to cancel this visit. If you have any questions about our trip, please speak to the Foundation Stage Teachers or Mrs. Cook.

We hope you agree that this is an exciting opportunity for our Foundation children and we are looking forward to taking them on their first school trip.

Many Thanks,

The Foundation Stage Team
