24<sup>th</sup> January 2019

Dear Parents / Carers

Following your positive responses about the educational experiences which we would like to organise for year 5, we will be visiting the National Space Centre in Leicester as part of our science work on the Universe and beyond on **Friday 15<sup>th</sup> March, 2019**. Whilst there the children will be:

Taking part in a workshop on the Sun, Moon and Earth, watching an informative film about a journey through the Universe and visiting the interactive museum.

All of experiences are designed to extend the learning the children will do about our science topic.

The cost of entry to the Space centre and specialist led activities and workshops will be £16 per child

The cost of the bus will be £7 per child

Therefore, the total cost of **the Space centre trip is £23 per child**

**Payments and permission must be received by Friday 8<sup>th</sup> March, 2019 and should be completed online using eduspot. Opportunities to receive support for payment can be discussed at the office.**

If you are able to offer help on the day of the trip please talk to your child's teacher as soon as possible.

With thanks

Year 5 Team
