

12-4pm on SUNDAY 12th MAY 2019

IT'S BACK!! Burton Joyce Primary School PTA will be holding the very popular Garage Sale Safari in Burton Joyce on Sunday 12th May from 12-4pm.

How it works: People pay £10 to set up a stall on their driveway. We will put all the stalls in the village on a map and publicise the event throughout the village and surrounding area. You only pay your booking fee of £10, the money you make from the stall is all yours.

We may already have stalls reserved on your road, so it's time to have clear-out; find that box of stuff you've been meaning to eBay, and book yourself a stall! As well as those selling their own things, we would also welcome bookings from people selling crafts and other products, or from other community groups wanting to use the event to raise money.

There is also an opportunity to have a stall in the Wheatsheaf car park so if you live out of the village or would prefer a more central location, please let us know on the slip below.

All proceeds from the event will go to Burton Joyce Primary School PTA to fund an outdoor, all-weather learning space. Previous years have seen more than 70 stalls throughout the village and people coming from miles around on the day. We hope that once again it will be a fantastic village-wide event and would love you to take part.

To book please complete the form below and to ensure you are on the map return it with your payment by Thursday 2nd May, to either:

School reception or email us on bjpta@burtonjoyce.notts.sch.uk

We will send you a booking confirmation with a little more information and put you on the map.
