Dear Parents / Carers

As part of our topic 'Circle of Life' we are hoping to organise a school trip to The Yorkshire Wildlife Park to take part in a learning experience around the theme of 'World Habitats and Animal Adaptations' on Wednesday 26th June. The focus for the trip will be to discover the features and adaptations in different animals around the world. As part of the trip, the children will explore the wildlife park, learn about animal habitats during a ranger led workshop activity and observe the animals at the park.

The cost of entry and ranger led activities will be approximately £7.50 per child

The cost of the bus will be approximately £8.50 per child

Therefore the total cost of **the activity is expected to be £16 per child**

Before we are able to confirm the booking of this event, we need to undertake a register of interest to find out if parents/carers are happy for their child to take part in this activity. If we have the majority of interest in favour of the trip, then we will be able to confirm the booking. **A letter confirming the booking, arrangements and confirmed costings will be sent out shortly after the interest has been indicated** – payment, as always, will then be able to be made via the online system. Opportunities to receive support for payment can again be discussed at the office.

If you are happy for your child to take part in this trip, please indicate on the form below and return this slip to school – no later than **Friday 10th May**, alternatively you can email the office on admin@burtonjoyce.notts.sch.uk . If not enough interest is registered by this date, then we will be unable to offer the trip.

Thank you

KS1 Team
