'ad omnia paratus'

03 May 2019

Dear Parents and Carers,

It was yet another busy and productive Spring term! We had various trips and 'curriculum days', harvest festival, a fantastic 'Breakfast Story Café' on World Book Day and lots more besides. Of course, we were also visited by Ofsted. We were really pleased with the outcome. It was especially pleasing to have our children's behaviour and attitudes; the support from yourselves along with the real sense of team/family that we have established recognised in the letter. It was also reassuring to note that the areas identified for development were ones we had already recognised and are working hard to improve. Thank you again for your continued support, it really is appreciated.

As always, there is much to look forward to this term too including the Book Fair Breakfast/Tea & Cake, Y5 and 6 residentials, Y6 production, Foundation Graduation, Sports Day and the Summer Fair to name but a few!

Also in a few weeks time, Limetrees will be holding an open day on Wednesday 26th June in the evening to talk to parents about 'school readiness' for September. Please contact them for more information
http://www.thelimetrees.co.uk/burton_joyce

We still need literally 1000's of 2 ltr plastic bottles in order to build our Eco Greenhouse! Please tell family, friends and neighbours to collect these for us. Ideally rinsed through and with their lids. Please drop them into reception or hand to a teacher.

Once again, this year we have the unavoidable restructure to the organisation of the classes due to changes to our admissions number (which was reduced in 2014). Therefore in September the classes will be organised as follows:-

2 FS2 classes
3x Y1/2 classes
3x Y3/4 classes
3x Y5/6 classes

Later this term you will be told which class your child is in and your child will visit their new class and spend time with their new teacher. As always there will be a chance to meet your child's new teacher early in September.

Now a plea! We are currently in the need of two new parent governors to join the governing body of the Acorn Federation (Burton Joyce Primary School and Cropwell Bishop). Ideally someone who is able to analyse data and information and a willingness to make decisions based on what is best for the school. Monitoring is expected over both schools, resulting in at least one visit in school time to each school per year, and attendance at 6 meetings per year on Monday evenings. If you are interested please contact Catherine Cox, Trust Administration and Governance Manager, on governance@equalstrust.org

LOTTERY FUNDED

Included with this letter are some important dates for this term. More details of events will follow as information becomes available. This along with all school letters are available on the website. As ever, if you have any questions, suggestions or queries, please do not hesitate to contact us at school.

We hope you have a wonderful bank holiday.

Best wishes,

A handwritten signature in black ink, appearing to read 'J M Cook'. The signature is written in a cursive style with a large initial 'J' and 'M'.

Mrs Jenny Cook
(Head Teacher)
