PGL - Boreatton Park - Medical forms.

Dear Parent(s) / Carers,

With just less than a month until we go on our Year 6 residential visit to PGL Boreatton Park, we need to start collating all up-to-date medical information for the children.

All children must have handed in a completed 'Confidential Parental Consent Form'. Additionally, we request that you complete a permission form for administering Calpol.

Whilst on residential, it is not uncommon for children to generally feel 'unwell'. This can be a combination of a variety of factors i.e. having a cold or having a raised temperature. In such situations, it is not necessary to contact parents and a combination of a little TLC and a spoonful of Calpol is all it takes to get the children back on track.

If you would like to give us permission to administer Calpol, if it is required, we need you to complete the slip below entitled 'Calpol'. If we do not receive this slip, we will only be able to give your children the medication you have specified on the 'Confidential Parental Consent Form'.

Yours sincerely

Mr J Smith

✂-----

Calpol

The parent(s) / carer(s) of _____ **DO** give permission for Calpol to be given to their child, as and when it is required.

OR

The parent(s) / carer(s) of _____ **DO NOT** give permission for Calpol to be given to their child, as and when it is required.

Signed _____
