Dear Parent/Carer

**Trip to Yorkshire Wildlife Park 26<sup>th</sup> June 2019**

Thank you for all the responses we have had regarding the letter, asking if parents/carers were interested in their children going on this trip. The responses have been very positive, so the trip will go ahead. The focus for the trip will be to learn about how animals are adapted to their habitats around the world. As part of the trip, the children will explore the wildlife park and learn about animal habitats and their adaptations in a ranger led activity. Thank you also for the offers of help, if you are still able to help on the trip – please indicate on the slip below and return it school so that staff can add names to the risk assessment. In the event of having too many volunteers, then names will be selected based on the order that slips are received and staff will confirm the outcome with you.

Please ensure your child wears school uniform for the trip but they will need to wear suitable footwear as they will be walking for most of the day. Can we also ask that consideration to the weather is also made and that children are sent to school on the day with coats or waterproof jacket and/or sun hats and sun cream depending upon the expected weather. We will provide your child with a packed lunch but please provide your child with a drink (no fizzy drinks) and a rucksack or bag for them to carry their lunch in.

The cost of entry and ranger led activities will be £7.50 per child

The cost of the bus will be £8.50 per child

Therefore the total cost of **the activity will be £16 per child**

If you do not wish your child to attend they will be able to join with another class for the day at school. If you would like support with paying for these activities please contact the school office where they will be happy to confidentially discuss this matter. If we are not contacted we assume we will receive payment, as indicated on the register of interest letter. Please pay online via 'Eduspot' **by 14<sup>th</sup> June 2019.**
