5th June 2019

Dear Parent(s) / Carer(s),

During the next academic year, we are hoping to be able to offer children in Year 6 the opportunity to participate in Bikeability lessons. Nottinghamshire County Council staff will provide training over two consecutive days with the aim of improving children's cycling ability and road safety awareness. All sessions will take part during the school day so children will miss lessons to take part.

Please be aware that children will need to have reasonable control of a 2-wheeled bike. If any of the instructors are not confident that a child has reasonable control of a bike and are not able to follow basic instructions, for their own and the safety of others, they will not progress onto the Level 2 training course.

Each child must bring a suitably sized bike, which has working front and back breaks. Cycle helmets will also be required.

All decisions relating to whether a bike is fit for purpose and whether pupils pass or fail each level is made by the Bikeability staffing team.

For more information regarding the Bikeability programme, please visit the following website
www.bikeability.org.uk

Please could all children return the slip below, by the latest of **Friday 21st June** so that I can submit the necessary requests and paperwork in time for our application to be considered.

Yours sincerely,

The future Year 5 & 6 staffing team !
