

SUMMER READING CHALLENGE 2019

Those of you whose children have done this challenge before will know the benefits of taking part. As it is FREE and helps build your child's confidence and reading stamina, it's really a no brainer.

You can register any time after **Saturday 13th July** and the aim is for your child to read (or have help to read) 6 books over the school holidays.

This year's theme is *Space Chase* and there are all sorts of little prizes and incentives to encourage completion, together with a medal at the end.

More information and material for a rainy day can be found at:

<https://summerreadingchallenge.org.uk/>

Additionally Burton Joyce Library will have games and activities available throughout the summer including a free craft activity on Wednesday 14th August "Space Chase Aliens" from 10.30 to 12.30.

As usual, I will be doing an additional assembly at the end of September to celebrate all the children who have taken part.

Judith (Library Volunteer)
