Dear Parents/Carers,

We have now received confirmation from the Bikeability team that your child will be able to participate in the this year's programme. The children have been divided into 4 groups of between 10 and 12 children.

Your child has been placed in Group 3 and their lessons will take place on:

Level 1 lesson	Level 2 lessons		
Lesson 1 (09.45 - 12.00)	Lesson 2 (13.10 - 15.10)	Lesson 3 (10.00 - 12.00)	Lesson 4 (13.10 - 15.10)
20/11/19	20/11/19	21/11/19	21/11/19

To ensure your child is fully equipped and prepared, it is essential that you take the time to re-read all attached information relating to Levels 1 & 2 of the Bikeability programme.

Key points to be aware of:

- children need to have good control of a 2-wheeled bike. If instructors are not confident a child has good control of a bike or are not able to follow basic instructions, for their own and the safety of others, they will not progress onto the Level 2 training course.
- children must bring a suitably sized bike, which has working front and back breaks. Cycle helmets will also be required.
- children come to school dressed in their own clothing, which would be appropriate for cycling in i.e. a jumper / hoody and jogging bottoms. Children will be required to go out in most weather conditions, including rain. Therefore, we strongly advise that children have a light raincoat with them in school.

All decisions relating to whether each bike is fit for purpose and whether pupils pass or fail each level is made by the Bikeability staffing team.

Yours sincerely
