Dear Parents/Carers

A number of parents/carers have been trialling the new Eduspot App for a few weeks now and we have received great feedback.

The new app called 'teachers2parents' (also known as Eduspot) works in the same way as the website enabling you to make payments via a smartphone App in addition to the website and you can view school meal balances, topping them up at any time and pay for trips etc.

You will be able to give online consent, where required, for your child to take part in clubs and school trips.

What does the App offer?

Cashless catering

Pay for dinner money via the App, making the app a convenient and no-nonsense way of managing school dinner payments and topping up when necessary!

What you need to know?

To activate your new teachers2parents App account, all you need are your email address and mobile number that school holds on record for you.

Once you have downloaded and set up the App, you will remain logged in.

Download the App: If you have a smartphone, please search for 'teachers2parents' on App store or Play store. It's free to download and use!

At the moment you will still receive a text and email for payment requests as normal with the link to the standard webpage. However, you will also receive a notification from the App. Please launch the App to access your account.

If you are having trouble logging in, it may be because the school does not have your current email and mobile phone number on record, call the school and we will update the details on our system. If you have any questions or concerns, please do not hesitate to contact the school office.

We hope that you will find the Eduspot App to be a fast, convenient and easy way to pay for school items, clubs and trips and we encourage you to email us your feedback, questions and comments to reception@burtonjoyce.notts.sch.uk.

Many thanks

School Office
