

Dear Parents/Carers,

We have adapted the homework menu for children to select from over the following few weeks whilst the school is closed. There is not a set expectation for work that must be completed, we understand this will depend on available childcare and health of the family. However, it is important that children remain engaged in their education to keep their minds healthy and active. As well as the homework, menu below is a list of online learning platforms and educational sites. Of course children will still have access to our regular online resources such as Times Tables Rockstar, Spelling Shed, Numbots and Oddizzi (new geography based website) all username and passwords can be found in your child's reading record.

1. Keep on top of the daily news by exploring the website <https://www.bbc.co.uk/newsround>
2. Explore a fantastic resource provided by Scholastic (open the following hyperlink to read a letter from Scholastic for more details) https://classroommagazines.scholastic.com/content/dam/classroom-magazines/magazines/support/scholastic-at-home/LAH-letter-families_rev.pdf For 20 days, Scholastic have provided rich learning opportunities and activities. To explore the age appropriate learning content, open the following hyperlink <https://classroommagazines.scholastic.com/support/learnathome/grades-6-12.html>
