13th April 2020

Dear Children of Burton Joyce Primary School,

Happy Easter everyone!

How has your week been? I hope you have all had a good one and you have enjoyed the wonderful sunshine this weekend. I'm guessing you have been out in your gardens and eaten some chocolate too! I certainly have!

I know many of you have been doing Easter activities and having lots of fun. Thank you again to those of you who have shared your pictures and photos with me. I loved seeing them. I think you are all very talented indeed!

I've had a lovely week, going on walks and attempting to do some baking. Isobel and I made some chocolate brownies, they were delicious but more like cake than brownie! Arthur and I also made our own pizzas which were very scrummy too!

As we know, life is a little different at the minute and we can't do all the things we might want to. Remember it's the same for everyone and we all need to keep trying our best to be busy and happy at home. You need to remember that this is tricky for your grown-ups too. With this in mind, I thought this week I would set you a little challenge. I'd like you to do three kind things for someone in your house. It doesn't have to be anything big it could be as simple as making a drink for someone; asking if a grown-up needs help with something; making a picture to give to someone or tidying your bedroom. I'm sure you will be able to think of many more ideas too. Let me know how you get on.

This week is still the Easter holidays, so I hope you continue to have a nice week. On Friday, your teachers will be sending you your next grid of work and activities to do ready to start next week.

Remember you can contact me anytime if you need me or if you want to share something you have done or made at: head@burtonjoyce.notts.sch.uk

Your teachers and I still miss you very much and we look forward to when we are back together again.

Take care and keep smiling everyone.

Mrs. Cook
