Dear Parents and Carers,

Having sent you the letter yesterday saying I hadn't had more information, last night it arrived!

You may by now already have heard on the news or read for yourself the latest guidance to schools regarding the phased return to school for some primary pupils, starting with FS2, Y1 and Y6. I have attached the links here for you to the documents: <https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/reopening-schools-and-other-educational-settings-from-1-june> <https://www.gov.uk/government/publications/coronavirus-covid-19-implementing-protective-measures-in-education-and-childcare-settings>

There is clearly an enormous amount for us to think about and plan for. I now please ask that you bear with me whilst I plan the best way forward for our school and children. I am meeting with the trust's leadership team including all the head teachers today and with our school's leadership team later this week to consider the implications and options.

I will provide details as soon as I can but clearly this will take time. However, I shall endeavour to provide you with details by the end of next week.

Thank you for support and patience at this time.

Take care,

Mrs. Cook
