11<sup>th</sup> May 2020

Dear Children of Burton Joyce Primary School,

Hello everyone! How are we all doing? Did you have a nice week? I know lots of you enjoyed VE day on Friday celebrating with cakes and bunting. At school we held the 2-minute silence and enjoyed eating some scrummy cakes too.

The red arrows flew over the village where I live, on Friday, which was exciting; Arthur and Isobel really enjoyed watching them.

In other news from school... It seems that school is becoming a haven for wildlife at the moment. I showed you a picture a few weeks ago of a print left by an owl, well this week we had ducks on the roof!

I know lots of you have been busy working on the tasks set on your grids- well done for continuing to work hard on these. It's really important that we keep trying our best with our school work to keep our brains active and healthy just as it is to keep exercising outdoors to keep our bodies fit and healthy. Keep up the good work – you are doing brilliantly!

I also wanted to say well done and thank you to you all for chatting so nicely to your teachers last week. I hope you enjoyed speaking to them. I know lots of you have been emailing your teachers too which is great as they love to see what you have been doing.

I know some of you may have watched or heard the news yesterday that the Prime Minister, Boris Johnson, has said that some children (Reception, Y1 and Y6) may be able to come back to school from the 1st June. Unfortunately, we don't yet have any details about this or what it could be like at our school or if it will even happen at all. I know this is unsettling and we all want answers and to know when we can be together again. However right now, we just don't have these answers. So even though I know it is hard, we need to be patient and keep doing the things you are doing.

Thank you to everyone who has sent me emails and pictures, as always, I have loved looking at them. If you would like to send me anything my email is [head@burtonjoyce.notts.sch.uk](mailto:head@burtonjoyce.notts.sch.uk)

Keep setting yourself challenges each day to accomplish particular tasks from your grids and don't forget to keep practising your tables and try and read a little every day. You can do it! Just remember you are an important part of the Burton Joyce Primary School team and we are always 'Ready for Anything'.

Keep smiling everyone and look after each other.

Take care,

Mrs. Cook
