

Foundation Stage Extended Learning Menu

We are concluding our theme of the forest with a focus on Robin Hood.

In the table, there are lots of different activities to choose from. Please try to complete the activities that are in a **coloured grey box** regularly. At least **one 4-star activity** should be completed if possible. Aim to earn at least 20 stars over the next two weeks.

You can post photos or videos of what you have done onto Tapestry, so we can see how well you're doing!

<p>Read at least 3 times a week. Read a book, go to www.oxfordowl.co.uk or look out for reading resources posted on Tapestry each Friday. You could talk about the characters in the text – what did they do and what are they like?</p> <p style="text-align: center;"></p>	<p>Listen to Mr Faulder read a story of Robin Hood on Tapestry. See what you think about Robin Hood and what he did? You could pretend to be him in role play or tell someone about him.</p> <p style="text-align: center;"></p>	<p>Construct something for the forest or Robin Hood. Decide or design what you would like to create, collect what you need to make it and get creating! It might be a bug hotel, fairy or bird house, den, bow and arrow, shield or hat. You decide!</p> <p style="text-align: center;"></p>	<p>Play a maths game. Go to www.topmarks.co.uk to play an Early Years maths game, go on Numbots or play a maths game you have at home. Look out for Mrs Wallace's maths activities on Tapestry every Friday too.</p> <p style="text-align: center;"></p>
<p>Think about Robin Hood's "Merry Men." They were his friends and helpers. Draw a friend or someone who helps you and explain what makes them special. You could write one of your weekly sentences about them.</p> <p style="text-align: center;"></p>	<p>Do something kind for someone to help them or make them smile. It might be in the spur of the moment – like letting them have the last packet of crisps, or something you have planned and spent time over. Listen to the Kindness Song by the Juicebox Jukebox for some inspiration. https://www.youtube.com/watch?v=H98Rfljxmsc</p> <p style="text-align: center;"></p>	<p>Find half of an object and halve numbers up to 10 and then 20. If you halve something you cut or share it equally between two. Use objects to help figure out what half of a number is. You can record it too, eg half of 4 is 2. See attached Twinkl PowerPoints and worksheet to use or help.</p> <p style="text-align: center;"></p>	<p>Research the legend of Robin Hood and present what you have found out. You could find out where he lived and what he did, then make a poster, labelled picture or map. See what you can find out and present it in your own way.</p> <p style="text-align: center;"></p>
<p>Practise your letter formation. Focus on the curly caterpillar letters c, a, d, g, q, o, e, s and f. You can use the formation sheet attached or watch https://www.theschoolrun.com/video-letter-formation-curlly-caterpillar-letter-family to help write, paint, or chalk your letters – you can then apply them in words, such as fog, sad. This action could help you form the numbers 0, 6 and 9 too.</p> <p style="text-align: center;"></p>	<p>Write at least 3 sentences per week. Use your sound mat to help and try to: <ul style="list-style-type: none"> - Sound out each word (or spell tricky words) - Use fingers spaces between words - Use a full stop at the end of a sentence - Form letters correctly - Write on the line if you can Write about anything you like. You could use 'and' to extend a sentence.</p> <p style="text-align: center;"></p>	<p>Hit a target or set a physical goal to work towards. If like Robin Hood you have a bow and arrow, you could practise your archery – if not, use magnetic darts, a water pistol, a ball, beanbag, frisbee or other object and try to hit, throw, kick or get it in some kind of target – you can do it!</p> <p style="text-align: center;"></p>	<p>Practise Phase 2, 3 or 4 phonics at least 3 times per week. For Phase 4: Read and write words with consonant clusters, like st, gr, cl, mp, thr. Watch Alphablocks Practicing Letter Blends - use words from the program within a sentence https://www.youtube.com/watch?v=BxtUPEFKSas. Read tricky words "were, there, little, one." Spell tricky words "they, all, are." Play a phonics game at home or online.</p> <p style="text-align: center;"></p>
