Dear Children of Burton Joyce Primary School,

Hi everyone! How are you all? Very well I hope!

How are we all getting on with your new grids – I hope you have made a good start and are trying hard to stick to a good routine? I find that if you get up and dressed for about 9ish then try and do one of your tasks that's a really good time to get work done, that then means later in the day you can play and relax (not forgetting to get out for a good dose of fresh air and exercise too!).

It's been a busy week for me, there has been lots to sort and organise in school. I'm trying to make plans for when we can all return to school- it's quite tricky! The Government have said that in June children in Reception, Y1 and Y6 can start to come back to school. However, before we can do this we need to organise things in school and get things ready. It will mean life in school is different to how we are used to it being. Hopefully, I will be able to explain these plans to you in more detail very soon.

I've also been busy when I've been at home helping Arthur make a book about buses!

We had to do a lot research and now if you need to know about any bus in Nottingham I'm your lady! Isobel and I have been doing some painting too – which has been fun. I'll send you a picture when it's finished!

Mr. Appleton (Simon) has been busy too doing lots of decorating inside school over the last few weeks so everywhere is looking nice and fresh.

I will write to you all again soon, until then keep working hard and being well behaved for your grown-ups. Don't forget that you can email me anytime at head@burtonjoyce.notts.sch.uk

Remember I'm so proud of you all for how you have coped these last few weeks and I still miss you all buckets!

Keep looking after one another and keep smiling!

Take care,

Mrs. Cook
