

Foundation Stage Extended Learning Menu

Welcome back! Here is our new learning menu.

In the table, there are lots of different activities to choose from. Please try to complete the activities that are in a **coloured grey box regularly**. At least **one 4-star activity** should be completed if possible. Aim to earn at least 20 stars over the next two weeks.

You can post photos or videos of what you have done onto Tapestry, so we can see how well you're doing! **If your child is attending school, they will take part in daily phonics activities and a weekly reading, writing and maths activity which can be counted towards stars on the grid.**

<p>Read at least 3 times a week. Read a book, go to www.oxfordowl.co.uk or read along to books on https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/. You could talk about what you think could happen next.</p> <p style="text-align: center;"></p>	<p>Listen to Mr Faulder read a story of Mrs Armitage and The Big Wave on Tapestry. What do you think about the surfboard? What would you add to your surfboard and where would you go?</p> <p style="text-align: center;"></p>	<p>Create your own invention or add your own gadgets to something you already have. You could draw a picture and label it or make a model out of playdough, Lego or boxes.</p> <p style="text-align: center;"></p>	<p>Go on Numbots at least twice a week. Have a go for a minimum of 10 minutes each time. Can you be resilient and keep trying?</p> <p style="text-align: center;"></p>
<p>Look on a map and locate a seaside. Maybe look at a coastal location you have visited or would like to visit in the future. You could zoom in on different locations using https://www.google.com/earth/</p> <p style="text-align: center;"></p>	<p>Explore the language of measure by helping to cook something. You could make something sweet or savoury e.g. cakes, Yorkshire puddings, cheese sauce. Discuss how solids and liquids are measured using different equipment. You could use the sheet attached to prompt a discussion.</p> <p style="text-align: center;"></p>	<p>Longer or shorter? Explore length by gathering 5 objects from around your house or garden and put them in order. You could measure and record the length of each object using non-standard units such as Lego bricks or you could have a go at using a ruler and measuring in cm's. Remember to start at zero and measure to the nearest whole number.</p> <p style="text-align: center;"></p>	<p>Visit the River Trent and learn about out how the river meets the sea. Look at the direction the water is flowing in and talk about where it is heading. Can you find out where the River Trent starts and finishes? You might like to draw and label your own River Trent map.</p> <p style="text-align: center;"></p>
<p>Practise your letter formation. Focus on the long ladder (l,i,t,u,j,y) and zig-zag monster letters (v, w, x, z). You can use the formation sheets attached or watch the letter formation clips on BBC Bitesize. Just search for long ladder letters or zig-zag letters.</p> <p style="text-align: center;"></p>	<p>Write at least 3 sentences per week. Use your sound mat to help and try to: - Sound out each word (or spell tricky words) - Use fingers spaces between words - Use a full stop at the end of a sentence - Form letters correctly - Write on the line if you can Write about anything you like. You could use 'and' to extend a sentence.</p> <p style="text-align: center;"></p>	<p>Explore balancing on points and patches. Points are small body parts; hands, feet, knees and elbows. Patches are large body parts; stomach, back, bottom. Can you balance on 1 point, 2 points or 3 points using different body parts? How could Mrs Armitage balance on her surfboard?</p> <p style="text-align: center;"></p>	<p>Review phase 3 sounds ai, ee, igh, oa and learn to read phase 4 words 'do, when, out, what.' Practice spelling tricky words 'my' and 'her'. Spot words in books and try to use them in your writing. Hunt for words hidden around the house that contain ai, ee, igh, oa.</p> <p style="text-align: center;"></p>
			<div style="display: inline-block; vertical-align: middle; padding-left: 10px;">Extra stars:</div>
