

Homework menu (Autumn Term 1) F2

In the table, there are lots of different homework activities to choose from. You **MUST** complete the activities that are **coloured grey box each week**. At least **one 4-star activity** must be completed in a half term. You can choose to do whatever you like each week, however by the end of the half term, you must have earned 20 stars. When you have completed a homework task, put a cross through the box and colour in the number of stars you achieved. If you manage to earn 20 stars or more over the half term, you will get onto the 'Pot of Gold!'

Practise dressing and undressing independently. <div style="text-align: center; margin-top: 20px;"> </div>	Create some artwork at home and post a picture on Tapestry. This can be anything you like (you are the artist) and it will be shared with peers on Tuesday 15th September (International Dot Day). <div style="text-align: center; margin-top: 20px;"> </div>	Talk about our schools 'PRIDE values' (positivity, respect, integrity, determination, equality) with a grown up. Think of ways you could show one or more of the values. <div style="text-align: center; margin-top: 20px;"> </div>	Watch the first week of school video on the class blog. Tell your grown-ups what is happening and who you can see. <div style="text-align: center; margin-top: 20px;"> </div>	
Mark make or write in your News Book and bring it back to school to share. <div style="text-align: center; margin-top: 20px;"> </div>	Put a family photo in the frame you will bring home from school at the end of Week 3. Bring your framed photo back into school before October half-term. <div style="text-align: center; margin-top: 20px;"> </div>	Read or share a school book 3 times a week. <div style="text-align: center; margin-top: 20px;"> </div>	Play a game of 'eye spy' finding things beginning with the sounds on the front of your school reading book. <i>You could post a picture of something you found on Tapestry!</i> <div style="text-align: center; margin-top: 20px;"> </div>	
Practise running, hopping, jumping and stopping. You could play a game to apply these skills, like chase or musical statues. <div style="text-align: center; margin-top: 20px;"> </div>	Practice counting everyday objects e.g. cups on the table, apples in the fruit bowl. <div style="text-align: center; margin-top: 20px;"> </div>	On Tapestry post a "show and tell" about your body, e.g. a poster, healthy eating book, x-ray. We will give children the opportunity to tell us all about these in school. <div style="text-align: center; margin-top: 20px;"> </div>	Practise writing your name, thinking carefully about where to start each letter. <div style="text-align: center; margin-top: 20px;"> </div>	
<div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> </div>	<div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> </div>	<div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> </div>	<div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> <div style="border: 1px solid black; width: 30px; height: 30px; display: flex; align-items: center; justify-content: center;">☆</div> </div>	Extra stars:
