

**Nottinghamshire County Council
School Swimming Provision 2020- 2021**

Important Notification:-

All schools wishing to book their school swimming for the academic year 2020- 2021 it is essential that you read the following.

Bookings must be agreed and signed for on services 4 schools by 27/03/2020.

This is to ensure that there is enough time for the transport to be retendered across the county. This is a huge undertaking as it is being done for both the home to school's transport and swimming. To give the opportunity to realise the best tender price, it is essential that this time frame is adhered to.

The transport operators will require accurate pupil and additional adult's numbers to ascertain which buses to allocate to swimming. This is as a direct result of the new DDA legislation governing coaches which all operators must be compliant with from January 2020. This in turn will have a knock-on effect on coach capacity.

Double Decker buses are not affected by the legislation now.

Any late bookings or alterations to transport numbers will result in an additional administration charge of £30 and a transport on cost as levied by the operator for the year.

Your support in this matter is essential to help keep the costs of swimming at a manageable increase.

Early Bird Discount for your School Swimming Booking 2020- 2021

For schools booking their contract on Services 4 Schools before 27 March 2020.

Incentive £75 discount off the price of an NCTP course (National Curriculum Training Program course, one per school) which normally costs £350 (including poolside assessment).

Please note:

There will be a late booking charge for bookings received after 27 March of £100
