

TIMES TABLES ROCKSTARS

Goal

When it comes to times tables, speed AND accuracy are important – the more facts your child remembers, the easier it is for them to do harder calculations.

Times Table Rock Stars is a fun and challenging programme designed to help students master the times tables!

To be a Times Table Rock Star you need to answer any multiplication fact up to 12×12 in less than 3 seconds!

Logging in to Times Tables Rock Stars

1

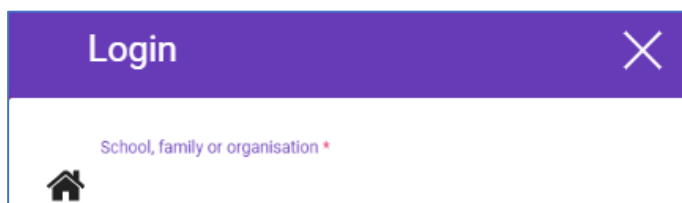

Type **play.ttrockstars.com** into your browser's address bar.

2

Click Login! > School > Student

3

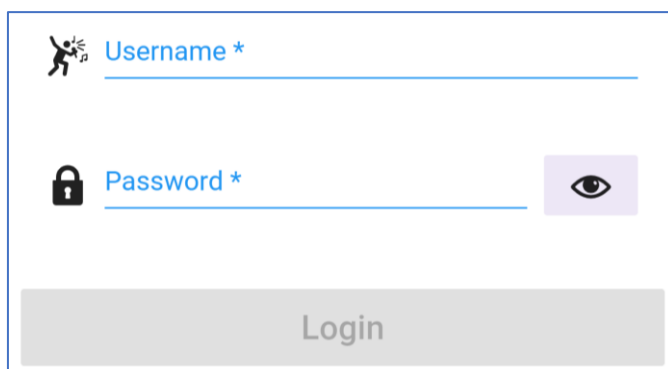

Enter the School Name.

A screenshot of a web browser window titled "Login" with a close button (X) in the top right corner. Below the title bar is a text input field with the placeholder text "School, family or organisation *". To the left of the input field is a small house icon.

4

Enter your child's username and password.

A screenshot of a web browser window showing the login form. It has two input fields: "Username *" with a person icon and "Password *" with a padlock icon. To the right of the password field is a toggle button with an eye icon. Below the input fields is a grey "Login" button.

Game Modes

Single Player

Garage - the questions will only come from the times tables the teacher has set for the week. It will include multiplication *and* division questions.

As pupils start to answer questions, TT Rock Stars works out which facts they take longer on and will give them more of these questions to answer. The Garage is best for getting quicker at a few facts. Players get 10 coins per question.

Studio - the questions in the Studio can be anything from 1×1 up to 12×12 .

TT Rock Stars calculates the mean response time from their last 10 games in the Studio and translates that time into a Rock Status.

≤ 1 sec/qu = **Rock Hero**

≤ 2 secs/qu = **Rock Legend**

≤ 3 secs/qu = **Rock Star**

≤ 4 secs = **Headliner**

≤ 5 secs/qu = **Support Act**

≤ 6 secs/qu = **Breakthrough Artist**

≤ 7 secs/qu = **Unsigned Act**

≤ 8 secs/qu = **Gigger**

≤ 9 secs/qu = **Busker**

≤ 10 secs/qu = **Garage Rocker**

> 10 secs/qu = **Wannabe**

If you don't play in the Studio you don't get a Rock Status.

Players earn 1 coin per question and the Studio is the place for them to set their best time across all the tables.

Soundcheck – When you play Soundcheck, you get 20 questions each with a 5-second time limit. The questions are multiplication only and evenly weighted in terms of difficulty each time you play. Players earn 5 coins per correct answer.

Multiplayer

Rock Arena - The Arena allows players to compete against all other members of their Band (their Bandmates would need to join the same game in order to compete together).

A new Arena game starts every 15 seconds and once the clock starts they race to answer more questions than the others. In the Arena, questions will only come from the times tables the teacher has set for the week, similar to the Garage. They earn 1 coin per correct answer.

Rock Festival - The Rock Festival games are open to players from around the world. Like the Arena, there is no limit to the number of players who can join a game; however, unlike the Arena, questions are selected at random from 1×1 to 12×12 .

Pupils might choose the Rock Festival if they were playing at home (and therefore couldn't easily synchronise playing against a classmate) or wanted to compete against others not in their Band. They earn 1 coin per correct answer.

Rock Slam – The Rock Slam gives children the opportunity to challenge their peers and Mr Smith in a 1 vs 1 battle!

Stats

If you click on your avatar icon in the top right of the screen and then click My Stats, a heatmap like the one below will load. It shows how successful your child is at each of the facts.

The best way to become familiar with Times Table Rockstars is to play it!

We hope your child enjoys playing the games and seeing their speed of recall improve through a fun and engaging application.

Today, your child will be bringing home a letter which will be providing you with a copy of your child's log in details. Their log in details are the same for Numbots and TTR. Inside the back cover of your child's Reading Record is another copy of your child's log in details

Kind regards

Mr Smith (Maths co-ordinator)
