13th October 2020

Dear Parents & Carers,

I hope you are all well and continuing to manage or even enjoy life in these ongoing strange and challenging times. I did think to myself this morning on my journey to school how lucky we are, and what a lot we actually have to be grateful for. There was a beautiful sunrise, the leaves on the trees looked spectacular and school is a happy and settled place to be.

Firstly, I would like to pass on a big thank you from all the teachers in school to all those who attended 'meet the teacher' meetings. They really enjoyed meeting you and having the opportunity to discuss our children.

I thought I'd just provide you with a brief update on how things are progressing in school. The half term has gone really well. We have been delighted with how well the children have coped and applied themselves in the classroom. All the new arrangements for how our days run with staggered start and end times, different playtimes and lunchtimes etc have worked well. I fully understand this has meant a great deal of co-operation and understanding by everyone in our school community for which I would like to express a personal heartfelt thank to all.

I imagine we all feel quite lucky that up to this point we have not had to close any part of school. However, with the significant rise in cases within Nottinghamshire I think it would be pertinent for us to continue to prepare for any future 'bubble closures'. The staff in school have been training and preparing for this. Next week we will send more details regarding this and how children will access work should their bubble have to close. In the meantime, if you do not have access to Microsoft Teams it would be beneficial to try and organise this in the next few weeks.

That's all for now but as always if you have any concerns or queries please do not hesitate to contact school.

Keep well and take care,

Mrs. Cook
