22<sup>nd</sup> January 2021

Dear Parents and Carers,

I hope this letter finds you and your family well. Another week has flown by and we've made it to Friday!

It has been another productive week at home and school, with the children again trying hard and producing some great work. The teaching staff have been delighted with the uptake of children accessing 'home-learning' calls and assignments – thank you so much to all for your efforts in supporting this.

Please could I ask that the teams calls are not recorded and shared via other devices this is to safeguard all our children. Thank you for your co-operation with this.

Also please remember, if during lockdown you have any issues accessing the home-learning materials or you have any concerns regarding supporting your child with their work, please contact your child's teacher via email; your child's Teams login or contact the school office who will be able to direct support to you. We have also added some useful links to the home learning page on our website to help with supporting your child at home.

Today we shall attempt to do a whole school 'live' assembly at 3pm – fingers crossed please! Hopefully your child will have received the link for this.

As always please do not hesitate to contact me if you have any concerns or I can help in anyway.

Keep well and take care,

Mrs Cook
