26<sup>th</sup> February 2021

Dear Parents & Carers,

Welcome back to the second half of the Spring term, and an excited welcome it is too! Finally, we have had the news we have been waiting for, we can from the 8<sup>th</sup> March have all our children back to school. We can't wait!

I know there may well be a degree of anxiety around the children returning, please be reassured we are in the process of reviewing all our risk assessments to ensure we are adhering to guidance given to schools. Most measures will be the same as they were in the Autumn term. This will mean we revert back to staggered start and collection times; children will remain in their 'bubble' groups meaning they will have separate lunchtimes and playtimes; classrooms will be organised to limit movement and face to face contact etc. I will send the details of these next week so don't worry if you can't remember when your child needs to arrive– December seems a long time ago now I know.

Thank you as always for your continued support over the last few weeks. I hope you managed to get a much-deserved break over the half term. The children, yet again have been outstanding on their return to learning this week, be it at home or in school.

The latest DFE guidance directs school to consider facilitating after school sports clubs again, we will in due course do so. Initially we would like to settle the children in back into school. We will send information regarding clubs in the near future.

If you have any question or concerns in the meantime, please do not hesitate to contact me.

Take care,

Mrs. Cook
