1<sup>st</sup> April 2021

Dear Parents/Carers,

I hope this letter finds you well. The last few weeks in school have been wonderful with having all the children back together. They have coped brilliantly well, readjusting to school life and routines. Thank you to you all for your continued support, understanding and encouragement this term it has been very much appreciated. We know it hasn't always been easy, particularly during the last lockdown, but we have come out of it together with our children thriving being back at school – which is really positive.

### Advance notice – Parents Evening

Next half term, on the 11<sup>th</sup> and 13<sup>th</sup> May, there will be an opportunity to meet with your child's teacher for an online Parent's Evening. We will be using system called School Cloud as we did last time. You will be able to book your own appointment time by following the link we will send you. More information to follow.

### A few polite reminders

Please could I remind everyone that scooters and bikes should not be used on the school site- please help us in reminding your children to dismount before they enter the school grounds. I also continue to urge you to park with due consideration and respect for everyone in our community. Please do not park across driveways, on the bends directly or opposite one another. This is causing not only inconvenience but serious hazards for other drivers and pedestrians. I regularly receive photographs of cars that have been parked inappropriately please be aware that I now pass all these on the relevant authorities. Thank you so much for your co-operation with this.

### Thank you

Mrs Wardell's last day in Year1/2 is today and Mrs Harding will return after the Easter break. I am sure you will join us in saying a huge thank you to Mrs Wardell for all her hard work stepping in during unprecedented times to teach and care for the children during home learning and the last four weeks in school. We wish her the best of luck at her new school.

As the weather improves, we hope to get out on to the field and start up some of our extra-curricular clubs once again. Everyone at school is looking forward to a settled and positive summer term.

Hopefully you have all seen your child's Easter Challenge sponsor form. If you could support school and the PTA in this, we would be so grateful. Obviously, our usual fundraising events have been significantly impacted because of the pandemic so any amount raised would be very much appreciated.

I would like to wish you all a very Happy Easter and hope you have a lovely few weeks. We look forward to seeing all the children back at school on the 19<sup>th</sup> April

Take care,

Mrs. Cook
