Burton Joyce Primary School

## Summer Term 1

Welcome back to school! Our topic this half term is 'What's the Forest For?'.  
We have exciting activities planned including learning about how to save forests, making Andy Goldsworthy style sculptures, minibeast hunts and we will even be observing caterpillars change into butterflies! Also, keep a look out for more information about a Forestry England Ranger visiting our class. Please see the attached topic overview for more information.

Parents evening will take place week beginning 17<sup>th</sup> May. More details will be sent out shortly. If you have any questions about your child's learning please talk to or e-mail the class teachers, you do not need to wait for the meeting if there's something you would like to know.

The new homework menu will be on Tapestry by next Monday 26<sup>th</sup> April. Please continue to share learning on Tapestry so this can be celebrated with the class.

Many thanks for your support and co-operation, your children have settled back really well!

The Foundation Stage Team.

1

### Reminder 1

Please bring reading folders to school every day.

2

### Reminder 2

Please ensure all clothing items are clearly labelled including PE kits.

3

### Reminder 3

Check Tapestry for the new Homework Menu

## WELLIE WEDNESDAY

Wellie Wednesday will no longer be happening. As the weather becomes brighter children will now take part in gardening activities on a Wednesday or Friday. Children will not require wellies for these activities.

In a few weeks time the children will be making wind chimes out of recycled materials. If anyone has any old DVDS/CD's we could use please send them into school.
