7<sup>th</sup> May 2021

Dear Parents/Carers,

I hope you are all well and have had a good week. It has been a lovely few weeks in school, the children are fully back into routines and working really hard. The whole team have been impressed with how they have adjusted and been applying themselves to their learning. It has also been great to be able to restart some of our sports clubs.

I would like to say a huge thank you for your support with the 'Break the Rules Day' last Friday. The children absolutely loved it and there was a really great atmosphere around school. The event raised an incredible £770 which is wonderful and will be a fantastic contribution towards our new trim trail.

I also want to repeat my sincere thanks for the incredible efforts over the Easter holidays with the sponsored events. The children went above and beyond challenging themselves in a range of activities from trampolining, litter picking, bird spotting, cycling to name but a few. A staggering £2897.60 was raised which is truly outstanding! Thank you all for the incredible community effort. And of course, a huge thank you as always to our amazing PTA who helped to organise these events.

In other news in school, we are looking forward to welcoming back Mrs Guyler who will be returning from maternity leave after half term. I would also like to congratulate Miss Robbins in the Foundation team who will be leaving next Friday to begin her maternity leave.

I hope you have all now managed to sign up for Parent's Evening appointments next week. These meetings will offer the opportunity for your child's teacher to share with you how your child is doing. All being well they will run without any hiccups, should you have connection issues please bear with us as we will attempt to contact you via phone or email.

Please contact the school office if you have any issues booking. We would urge all parents to watch this short video before your appointment to test your settings, paying particular attention to point 2 - The video call. It is imperative that you click on the 'start appointment' button as shown to begin the call. If this isn't selected the time will start but you will not be connected.

Polite reminder regarding packed lunches, please only include healthy and nutritious food in line with our Health Schools Policy.

And also break time snacks should be fresh fruit or vegetables only. No fruit bars, cheese snacks etc.

We are hoping to be able to run some school events in the final half term of summer such as sports day, new Foundation starter visits and a family picnic/BBQ. Obviously, these will be dependent upon guidance from the DFE and the course of the 'road map' in the easing of restrictions. As soon as we have any more details and possible dates, we will let you know.

Thank you for your continued support and as always please do not hesitate to contact school if you have any concerns or queries.

Take care,

Mrs. Cook
