28th May 2021

Dear Parents and Carers,

Can you believe it? We are at the end of another half term... where did the last six weeks go?

It has been a wonderful half term in school. There has been a tangible energy around the place, a real drive to focus teaching and learning in order to best help our children achieve their best despite the disrupted year they have had. Our children have continued to thrive and respond so well – we really are so proud of them.

Next half term, we are hoping to be able to reduce some of the measures we have had in place following government guidance. We will of course do so with a thorough review of our risk assessments and let you know of any significant changes.

On this note, we are hoping to hold a 'Sports Day' of sort for each year group. This year it will not run in our usual way in order to avoid having a large number of people on site. However, we will do something for the children to participate in within their bubble groups and parents will be invited. We will endeavour to get details to you as soon as possible after the break.

Thank you so much again to our brilliant PTA for organising the Safari Garage Sale and to those who took part in it. The event made just over £1000 -yet again amazing amount! A huge thank you from everyone at school!

All that's left for me to say is to wish you all a wonderful half term. Fingers crossed the weather forecast looks nice so hopefully there will be chance to get out and about.

Thank you so much for your continued support.

As always please keep safe and well.

Take care,

Mrs. Cook
