28th November 2021

Dear Parents/Carers,

I just wanted to up-date you personally of the situation at school. We unfortunately have a COVID outbreak in FS2, in order to try and reduce the spread as much as possible we are temporarily returning to some of the safety measures we have previously implemented.

For this week initially, please can we politely ask that all adults wear face masks when dropping off and collecting children to and from school. Can we also ask that you take children straight to class and then leave the school site as quickly as possible. We will not be having assemblies this week and we will return to our 'bubble' groups meaning that playtimes and lunchtimes will be separate once again. Children will continue to be encouraged to wash and sanitise their hands regularly.

Could we also ask for your continued vigilance and caution, if your child is at all unwell, please keep them at home and do a test. If your child is unwell or has tested positive, please email the school office or leave a message via the absence phone line.

We hope that by reintroducing these measures we can still go ahead with our many Christmas activities and events planned. However, we will obviously be continuously reviewing the situation, and number of cases daily and liaising with DFE and PHE, before making a firm decision on any of these.

I realise that this is not the position any of us in our close community wanted to be in at this time, but hopefully by all acting appropriately together in-line with these measures we can attempt to stem the spread and impact further.

I wish all those poorly at the present time, staff and pupils, a speedy recovery - you will be very much missed, and we look forward to seeing you again really soon.

Take care everyone and keep safe,

Mrs Cook

Warm regards,

Jenny Cook
