Dear Parents / Carers,

Re: Planetarium Experience

Linked to our 'Earth and Space' topic in science this half term, we have arranged for a mobile planetarium to visit the school on **Thursday 20th October**. This is an exciting opportunity which aims to further stimulate and consolidate children's learning in the subject.

On the day, all children will participate in a 45-minute visual session in the dome and complete other space-themed activities during the day.

The cost of this experience is £3.25 per child and a payment request will be sent via the 'teachers2 parents' app.

Unfortunately, school is unable to fund all extracurricular activities therefore we really appreciate your support. However please contact the office if you are unable to contribute to this experience.

Thank you for your continued support.

Kind Regards,

The Year 6 Team
