Dear Parents / Carers,

Re: Planetarium Experience

Linked to our upcoming topic 'What Happens When the Sun Goes Down?', we have arranged for a mobile planetarium to visit the school on Thursday 20th October. This is an exciting opportunity which aims to introduce and excite the children about our learning after half term.

On the day, all children will participate in a 45-minute interactive session in the dome.

The cost of this experience is **£3.25** per child and a payment request will be sent via the teachers2parents app. Unfortunately, school is unable to fund all extracurricular activities therefore we really appreciate your support. However please contact the office if you are unable to contribute to this experience.

Thank you for your continued support.

Kind Regards,

The Foundation Team
