- ✚ All visitors/volunteers sign in using the iPad and agree to abide by our code of conduct.
- ✚ All staff, governors, visitors or volunteers have a current DBS check if they are working with children by themselves. This is always verified before the person starts work.
- ✚ Have a duty to inform the Multi Agency Safeguarding Hub if we have any suspicions of abuse or neglect in any way.
- ✚ Have an up to date policy for Safeguarding and Child Protection.
- ✚ Ensure all staff have at least annual refresher training to update their knowledge of policies and procedures.

If you have any concerns about a child's welfare or safety, please report it immediately to a member of staff before you leave the building.

Thank you for helping to keep our young people safe.
