

'ad omnia paratus'

## Half Term Home Learning Menu! (Autumn 1) Year 5 & 6

In the table, there are lots of different homework activities to choose from. You **MUST** complete the activities that are in a **grey coloured box each week**. You can only collect the 2 stars, for each of the grey coloured activities, at the end of the half term, once you have done them every week. At least **one 4-star activity** must be completed. You can choose to do whatever you like each week. However, by the end of the half term, you must have earned 20 stars. When you have completed a homework task, colour in the number of stars you achieved. If you manage to earn 20 stars or more over the half term, you will earn a reward!

<p>Learn your spellings every week and go on Spelling Shed at least once per week.</p> <p></p>	<p>Carry out a research project about the sun, as this is one of the light sources we are investigating in science this half term.</p> <p></p>	<p>Find out about the work of Ernest Boye Uden; he is our chosen artist we are studying this half term.</p> <p></p>	<p>Tackle at least 5 quizzes on Oddizzi (<a href="http://www.oddizzi.com/schools/login/">www.oddizzi.com/schools/login/</a>).</p> <p></p>
<p>Produce a sketch, a painting or a collage to show your understanding of the differences between renewable and non-renewable forms of energy.</p> <p></p>	<p>Produce a poster detailing what you know and offering advice regarding the safe and appropriate use of social media.</p> <p></p>	<p>Read a minimum of 3 times a week - including at least once with an adult - and record the reading in your Reading Record.</p> <p></p>	<p>Ask 10 people this question: Will the government reach its target of only selling electric cars by 2030? Can you use a bar chart, line graph, pie chart, pictogram, tally chart, fractions and/or percentages to reveal your findings?</p> <p></p>
<p>Carry out a research project into reflection and refraction of light. You can reveal your findings on paper or electronically.</p> <p></p>	<p>Play on TTR and Numbots (until all stories have been completed) at least twice per week and complete at least one My Maths task per week.</p> <p></p>	<p>For the love of writing ... produce a diary entry about ... the day you instantly became famous!</p> <p></p>	<p>Complete the fortnightly comprehension tasks, which have been posted onto Teams.</p> <p></p>
<p></p>	<p></p>	<p></p>	<p> Extra stars:</p>
