

LET'S MAKE A SOAP CARVING

You will need:

- Some cheap bars of white soap
- A pencil
- Scrapers and peelers – use teaspoons, potato peelers, scissors, a paperclip and similar objects

READY? LET'S START ...

1. Draw your design ON both sides of THE SOAP

2. Use a knife to cut the corners off. Ask an adult for help

3. Carefully Scrape away at the edges and twist into the surface to make holes

4. Use a potato peeler to make smooth edges. turning your soap over to do both sides

5. Use a paperclip to make small details and marks

6. All done! Looks great

WHY NOT TRY OTHER SHAPES?
