mountain

Maps

Key Geographical Vocabulary

 Atlas	An atlas is a collection of maps of the earth.	 Map	A map is a drawing of an area of land or sea showing cities, towns, roads and natural or physical features.
 Globe	A globe is a picture of a planet drawn on a sphere. Globes are similar to maps.	 Address	An address is the number of the house, name of the road, and name of the town where a person lives or works.
 Aerial View	Aerial is something that is in or from the air. An example of something that is aerial is a picture taken from a helicopter.	 Key	A key gives you the information needed for the map to make sense. Symbols in the key are pictures that represent different things on the map.
