Half Term Home Learning Menu! (Summer 1) Year 5 & 6

In the table, there are lots of different homework activities to choose from. You MUST complete the activities that are in a grey coloured box each week. You can only collect the 2 stars, for each of the grey coloured activities, at the end of the half term, once you have done them every week. At least one 4-star activity must be completed. You can choose to do whatever you like each week. However, by the end of the half term, you must have earned 20 stars. When you have completed a homework task, colour in the number of stars you achieved. If you manage to earn 20 stars or more over the half term, you will earn a reward!

Geography – North America Learn your spellings every week and go on Spelling Shed at least once per week. Geography – North America Carry out a research project into any raze of North America which you find interesting. Art – Banksy Find out about the artwork of Banksy. Chose one of his picces of art and explain what message you think he is trying to send. Art – Banksy Create a piece of Banksy style artwork of Banksy.
