Dear Parents and Carers,

We are excited to introduce a new way to stay connected and engaged with your child's learning journey—**ClassDojo**!

ClassDojo is a secure, user-friendly platform that allows school staff to share classroom moments and celebrate achievements. This is very similar to the Tapestry app you may have experienced when your child was in Foundation.

As part of our commitment to enhancing home-school communication, we are inviting you to join ClassDojo. A trial was held in the Summer term with some parents in my class and feedback was fantastic. Parents benefited from having snapshots of their child's learning and receiving reminders and information regarding events happening in school.

While participation is completely optional for parents, we would greatly appreciate as many families as possible joining in. Your involvement and feedback will be incredibly valuable in helping us make the most of this platform for our school community.

You can access ClassDojo on any device: it's a simple, free mobile phone app for iOS and Android, and can also be accessed from your computer at classdojo.com.

A breakdown of how to access the app is at the bottom of this letter.

As part of using Class Dojo, we need to put in place some guidelines for its use and ask for your consent. Please click on the following link to give your consent before we can connect you to your child's class.

<https://forms.office.com/e/HActAD3w3t>

Once completed, you will receive an invite via email, download the app, input the code on the email that school will send you and you will be connected to your child's class.

Class Dojo will not replace existing processes for contacting school.

We will send information out via Dojo **but won't be accepting messaging from parents**. Please contact the office via email or a phone call if you need to speak to staff and they will get back to you as soon as they can. You can also speak to staff in person at the start and end of the school day. All other key information will be sent using the usual channels.

We look forward to sharing your child's learning with you soon!

Thank you for your continued support,

Mrs. Pickard

Let's get connected

3 easy steps

- 1. Download the app**
On your iOS or Android device for free. All you need is an email address.
- 2. Sign up as a Parent**
Or login to your existing parent account. If you have a teacher account, use a separate email.
- 3. Tap on your invite link or enter your parent code**
If you were connected last year, no need to connect again!
