## Half Term Home Learning Menu! (Spring 2) Year 5 & 6

In the table, there are lots of different homework activities to choose from. You **MUST** complete the activities that are in a **grey coloured box each week**. You can only collect the 2 stars, for each of the grey coloured activities, at the end of the half term, once you have done them every week. At least **one 4-star activity** must be completed. You can choose to do whatever you like each week. However, by the end of the half term, you must have earned 20 stars. When you have completed a homework task, colour in the number of stars you achieved. If you manage to earn 20 stars or more over the half term, you will earn a reward!
