Welcome Back!

Welcome back! We hope you all had a wonderful break and enjoyed the sunshine! Here we are ready for our final half term. This one always proves to be extremely busy but a special time in school for all our pupils equally.

Today's Wellbeing day was based around the theme 'Be Mindful', classes have had the opportunity to be reflective and explore ways that they can be mindful. Miss Miller also organised for the tough runner in school, it has proved to be a very exciting day! We also had the MHST team in carrying out some friendship workshops in KS1.

Thank You

Thank you to those that completed our school questionnaire, your feedback is invaluable. The feedback report was sent out just before half term, it can also be found on our school website.

Also, before half term we had our cultural diversity week in school. It truly was a magical week, to see the children, parents, grandparents sharing information from their different cultures and really making their learning come to life. We would like to thank all the volunteers for coming into school and making it so memorable. Also, a thank you to the PTA for funding the Global Dance sessions in school also, the children absolutely loved it! Lots of photos and videos were posted on ClassDojo if you haven't yet seen them.

Classes

Later this half term, you will be informed of your child's teacher for September. Your child will have the opportunity to meet and spend some time with their teacher before the summer break.

As we have done for the last few years, the youngest children in each class will remain with their current teacher and will be joined by new younger members mixed from the year below.

The only staff change is that we would like to welcome Mrs Muldoon back into the BJPS team, she will be covering Mrs Guerbaouy's maternity leave. Mrs Muldoon worked for our school for many years previously and we are excited for her to be rejoining the team.

Classes in September will be as follows:

FS2 Reception: Mr Faulder

Miss Miller (Mon-Wed) & Mrs Wallace (Thurs-Fri)

KS1 Y1/2: Miss Rowley

Mrs Guyler (Mon-Tues) & Mrs Wragg (Wed-Fri)

Mrs Mosley (Mon-Wed) & Mrs Langdown (Thurs-Fri)

Lower KS2 Y3/4: Mr Jennings

Miss Shackleton

Miss Webb & Mrs Muldoon (Mrs Guerbaouy's maternity cover)

Upper KS2 Y5/6: Mr Smith

Mrs Mackdermott

Miss Brown

As always, a great deal of time and careful thought has gone into organising the classes, with many factors considered.

For this reason, once classes are finalised, they will not be changed. We are proud to have a skilled and dedicated team of teachers and support staff who know our pupils well and are committed to ensuring every child thrives during their time at BJPS.

Year 4 MTC

As you may be aware our year 4 pupils will be completing their Multiplication Check over the next two weeks. This is a statutory assessment that schools must carry out. It is based on answering 25 multiplication questions within a given time on an Ipad. Children have had lots of practise and will be very used to completing this type of activity. We keep this as relaxed as possible, however if your child is finding anything related to this check difficult, please just let your child's class teacher know.

Mobile Phones year 5/6

A reminder to parents and carers that if Year 5 or Year 6 pupils bring a mobile phone onto the school site, it must be switched off at the school gate and remain off until they have left the school grounds at the end of the day. On arrival in the classroom, phones should be handed into the class phone basket and will be stored safely in the school office during the day. Pupils should only bring a phone into school if it is necessary (for example, if they are travelling home independently). Thank you for your support in helping us maintain a safe and focused school environment.
